looking for work

am currently working in pre stress yard looking for similar work have skills from tying steel pouring concrete, some of the QA paperwork, i look after the boiler to steam with,a lot of work with the crane, have chemical ticket anda dogging ticket.

I will have a go at anything and will try my best at whatever i do havent had any complaints in a year and a half working for richmond valley council.

If there is anything out there please contact me i am also willing to relocate.
